Dedication

Hopefully, everyone, at least once in their lives, will encounter people like Jerry Francoeur, Peter Graham and Maybell Peck; people whose enthusiasm surrounds you and holds you until it becomes your own; people who push you to march and yet support you if you stumble; people who care enough to do right by you even if it hurts.

ST. JOHNSBURY ACADEMY

SAINT JOHNSBURY, VERMONT 05819 AREA 802/748-8171

Dear Graduates:

I am pleased to be able to extend my personal best wishes to you in your yearbook. This book is a storehouse of memories which I hope you will cherish for years to come.

This is a time of passages and challenges. You are moving from one stage in your educational life to another. Many of you will be going on to universities and other institutions of higher learning, others will move directly into the world of work. For none of you, however, is this the end of education but rather a passage from one stage of learning to another.

The challenges you face will be many, and I am confident that you will accept challenges, accept opportunities and use your natural skills and talents to achieve success. Each of you is a very special person, and each of you is capable of such success.

As you leave the Academy this year, my thoughts and prayers go with you. I am deeply grateful that you have given me the opportunity to know so many of you, and I hope that we will meet often in the future.

May God shower His blessings on all your future endeavors and may your days be filled with joy and peace.

Most sincerely,

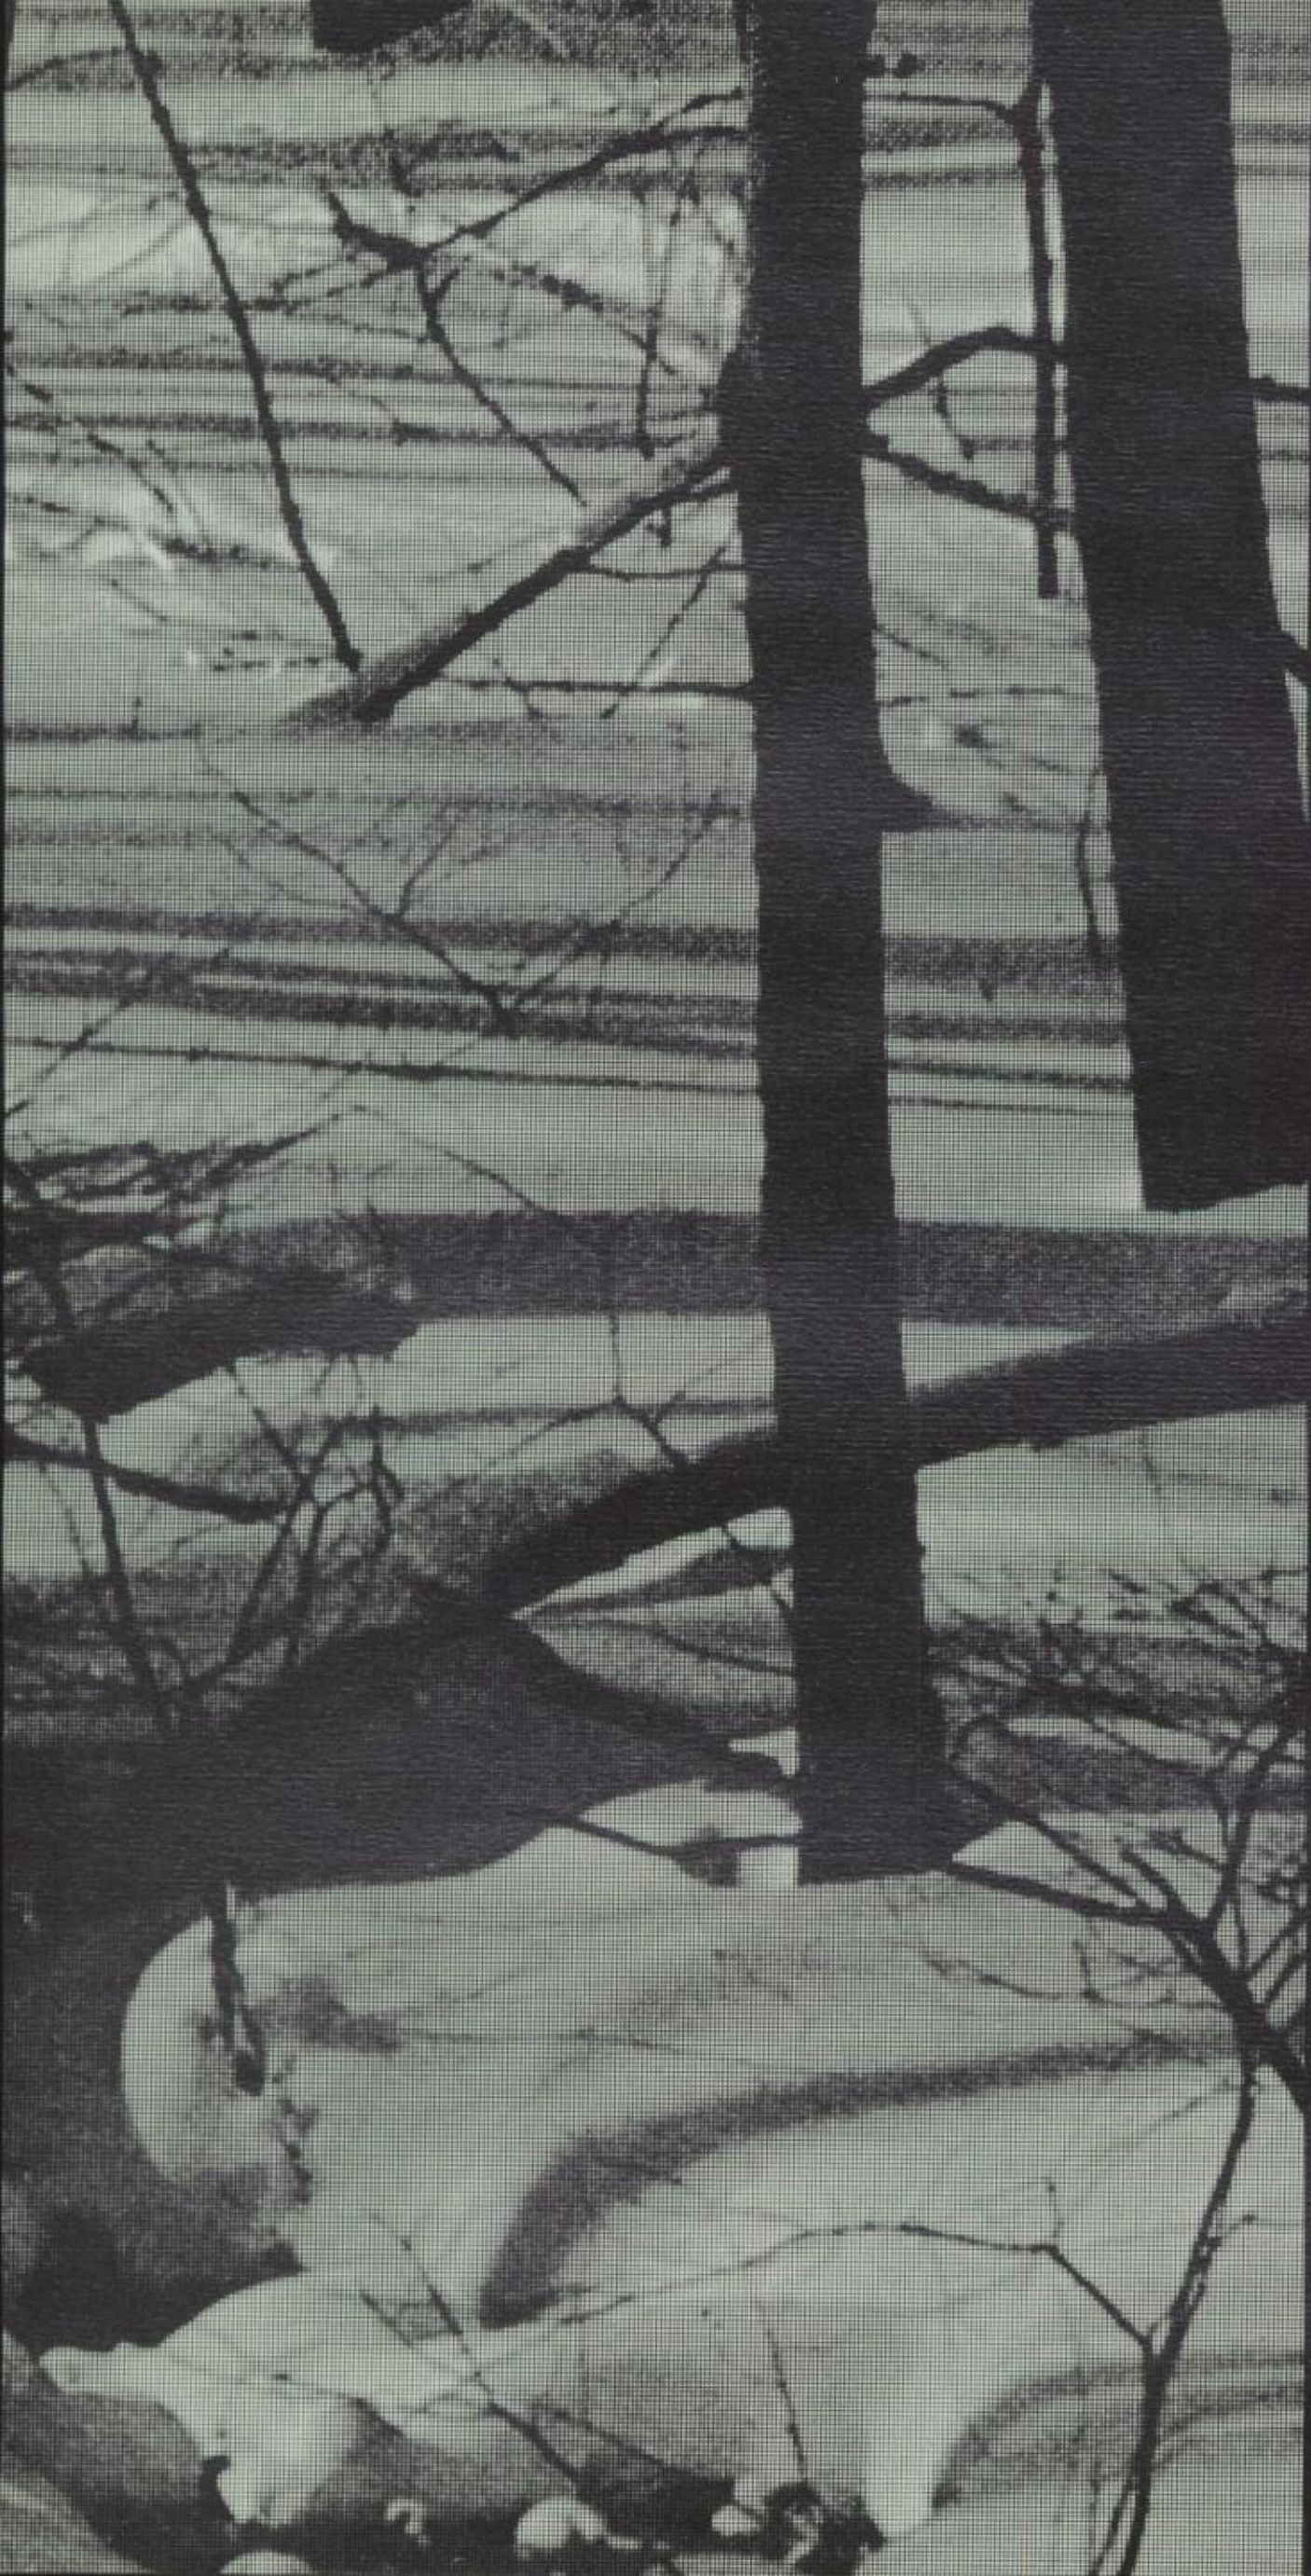

Vincent W. Durnan

In Memoriam . . .

Randy Leclerc

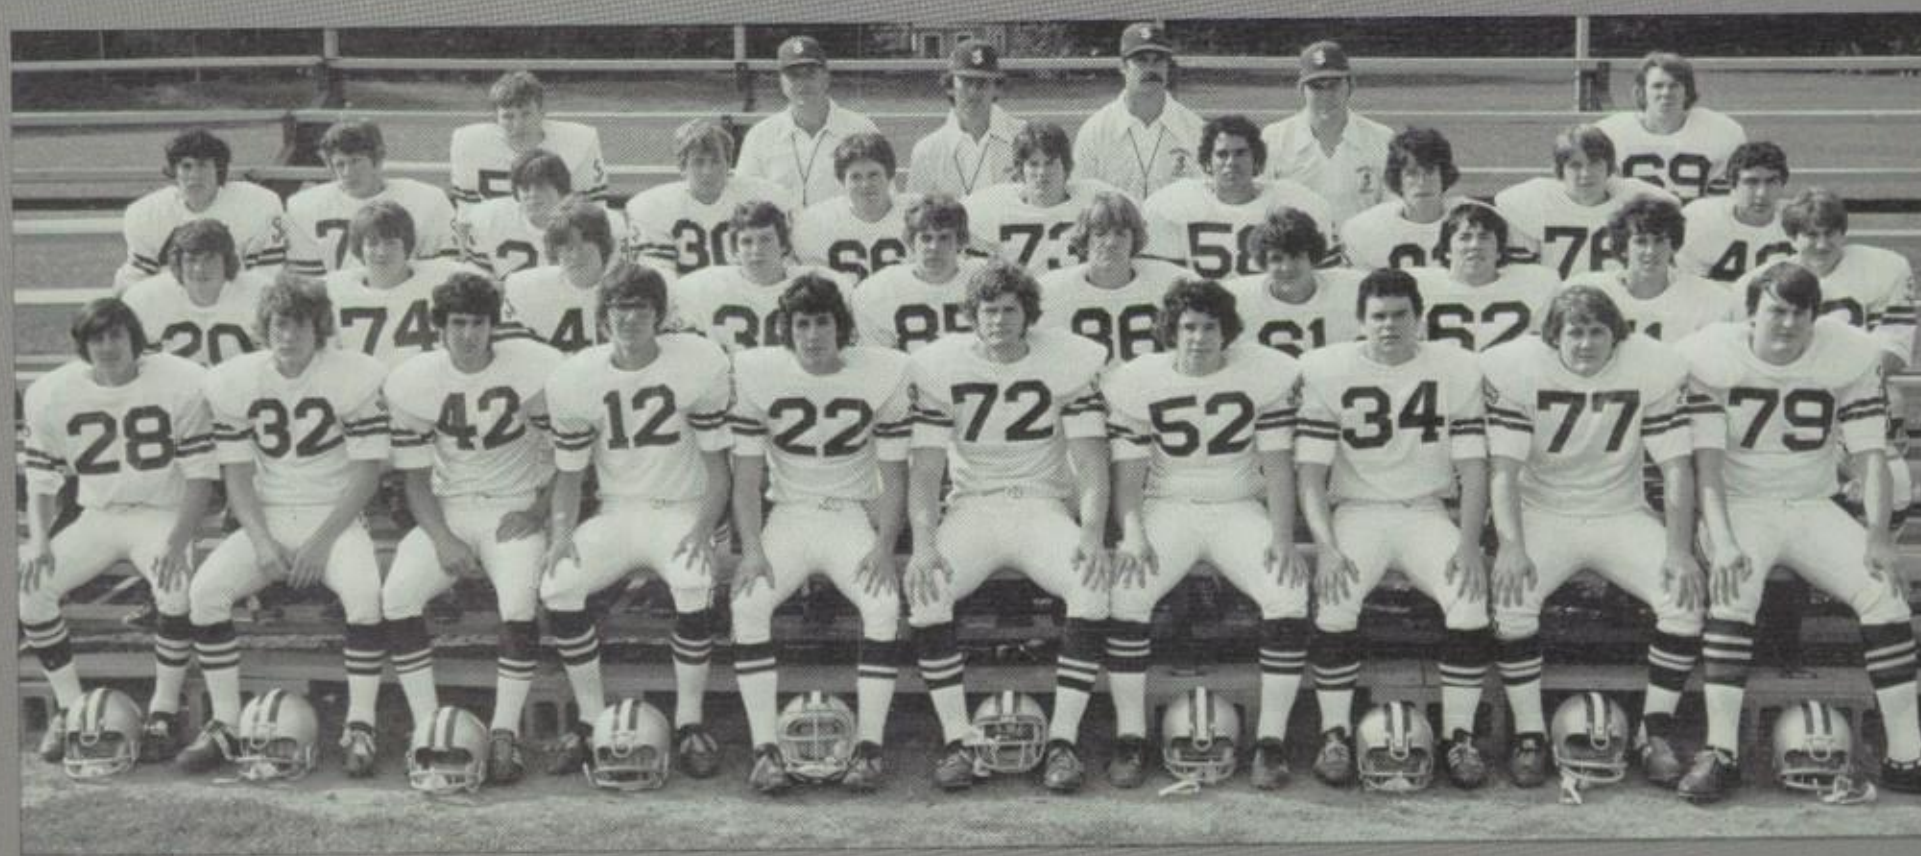

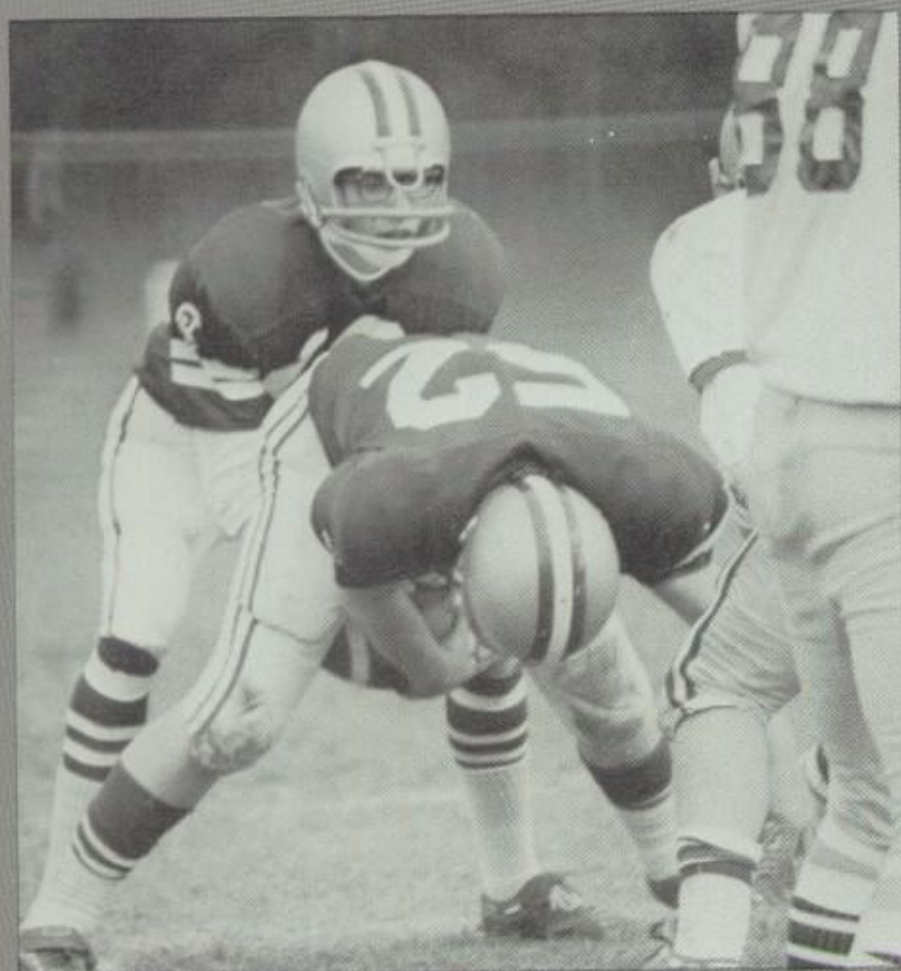

Everything happens just too fast,
Why can't we stop to make it last.
Today — right now — the things we see,
Will be tomorrow's memory.
And everything we held today,
Tomorrow may be far away.

FOOTBALL

Although the Northern League gave Coach Ken Michelsen of the Academy a rough welcome into its Class I Division play, all's well that ends well. And that's the way it happened for the Green and White football squad.

In a tough nine game schedule the new coach finished with an unimpressive 2-7 record. North Country fell 7-6, and in the annual showdown with L.I., started in 1894, the Academy took a 10-7 victory against a heavily favored Lyndon squad. The rest of the season was mostly downhill for the Academy.

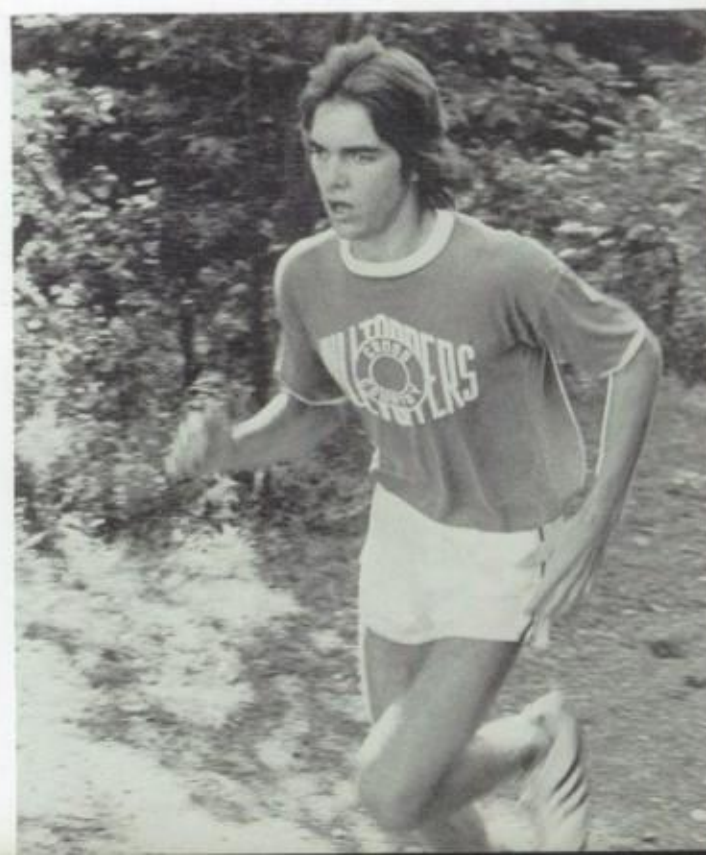

Coach Michelsen's top scoring guns were Doug Thurston to glue-fingered Craig Wood on several spectacular plays. His offense was hurt by painful injuries to star running backs Casey Rodd and classy Bill Snow, who broke an ankle.

Wood, Rodd and the towering Bill Chesbrough, one of the State's top linemen in any division, were selected to the All-Northern Division II team. The 220-pound Chesbrough was outstanding in every game but his conspicuous play against Lyndon drew the admiration of friend and foe alike.

Cross-Country

1st Row: J. McCarthy, J. Vandeveld, M. Ellis, P. Dean, E. Keen, E. Dean, J. Holderby.
 2nd Row: D. Tabor, A. Hoyt, L. Hook, S. Gendron, J. Martel, P. Reganall. 3rd Row: A.
 Eaton (Coach), G. Grandolfi, J. Nelson, M. McGinn, V. Gendron, S. Weston.

The St. Johnsbury Academy Cross-Country teams started their season off right, with the girls' team taking a 'first' and the boys' team taking a 'second'. Maggie McGinn and Ed Dean each got a second place to lead their teammates.

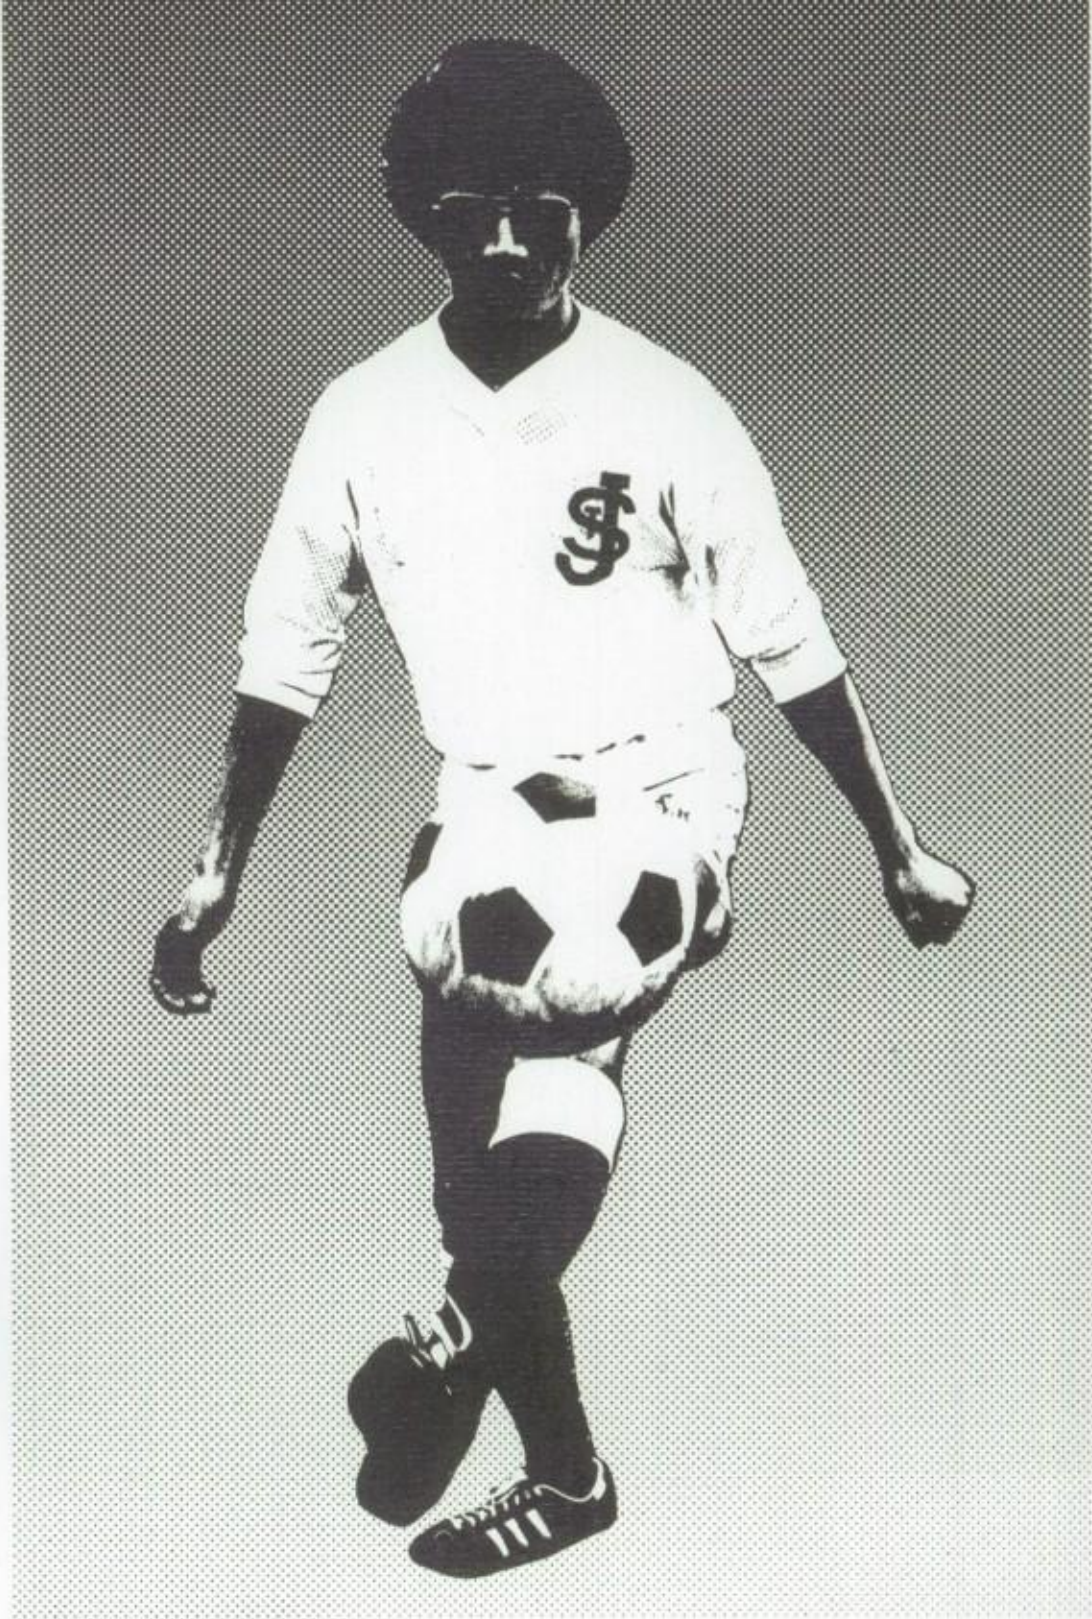

The most exciting race of the season for the Hilltopper girls was the Northeast League Championship. Valerie Gendron took a first, Maggie McGinn took a third and Pam Reganall took a fifth. The girls' team won with Avis Hoyt, Judy Martel and Sharon Gendron adding depth. Joy Nelson and Debbie Tabor backed us up all season and Lauri Hook gave us moral support.

Ed Dean led the boys in a successful season despite having a small team and many injuries. Eric Keen and Paul Dean followed Ed in all the races. Marc Lee and Mike Ellis backed up the first three runners and helped in the boys' victories.

The 1977 Soccer Team started the season with a solid group of returning, experienced players. Led by co-captains Noble Allen and Mark Desrochers, the team showed constant improvement throughout the season. The skill and precision with which the team was playing was evidence of their hard work and determination.

Keith Shortsleeve, Putt Cowens and Peter Hahn played very aggressively. Dave McFarlin, Robert Farmer and former All-North goalie, Randy Pulling, led the defensive charges all through the fall season. Mark Desrochers was named to the All-North squad at center halfback.

The team was bereft with many injuries, probably the worst of which was that which hampered the well-disciplined Noble Allen, who was lost for a good portion of the season. His ball-handling skills were both astounding to watch and baffling to the opposition.

Soccer

1st Row: B. Cameron, M. Gehring, S. Loring, S. Perry, M. Desrochers, N. Allen, P. Hahn, K. Shortsleeve, K. Shortsleeve, J. Kimball. 2nd Row: D. Wakefield (Mgr.), P. Bellefeuille, T. Spaulding, D. McFarlin, D. Chesbrough, R. Pulling, N. Cowens, R. Farmer, T. Colt, J. Corrette, Mr. Racenet (Coach). Missing: C. Eddie, T. Lewis, M. Porcello.

The Field Hockey Team, led by quad-captains Sue Dodge, Sylvia Dodge, Paula Brown and Delsie Hoyt, finished their season with a 9-5-1 record.

Highlights of the season included the uniqueness of being the only team to defeat or even score against a strong North Country team. The girls also beat out a quick CVU squad in an exciting play-off game.

A promising JV squad and a newly formed frosh team both completed their seasons with very respectable records.

There were twelve seniors on the squad: Diane Bouffard, Trish Kasprzak, Sue Donna, Denise Chaloux, Arlene Abadi, Sue Maurice, Reinette Scanlon, Patti Paige and the quad-captains, Sue, Sylvia, Paula and Delsie.

Coach Wallace will be hurt by graduation but several players from the jayvees will move up to varsity next fall. In addition a freshman team spotlighted several players who will assist the continuity of outstanding field hockey teams at the Academy.

1st Row: A. Lote, D. Bouffard, P. Brown, S. Dodge, D. Chaloux, R. Scanlon, S. Dodge, D. Hoyt, P. Paige, S. Donna, T. Kasprzak, S. Maurice, A. Abadi, K. Hammer. *2nd Row:* Miss Lane (Asst. Coach), K. Ski Team

This year's combined Boys' and Girls' Ski Teams had a season of moderate success.

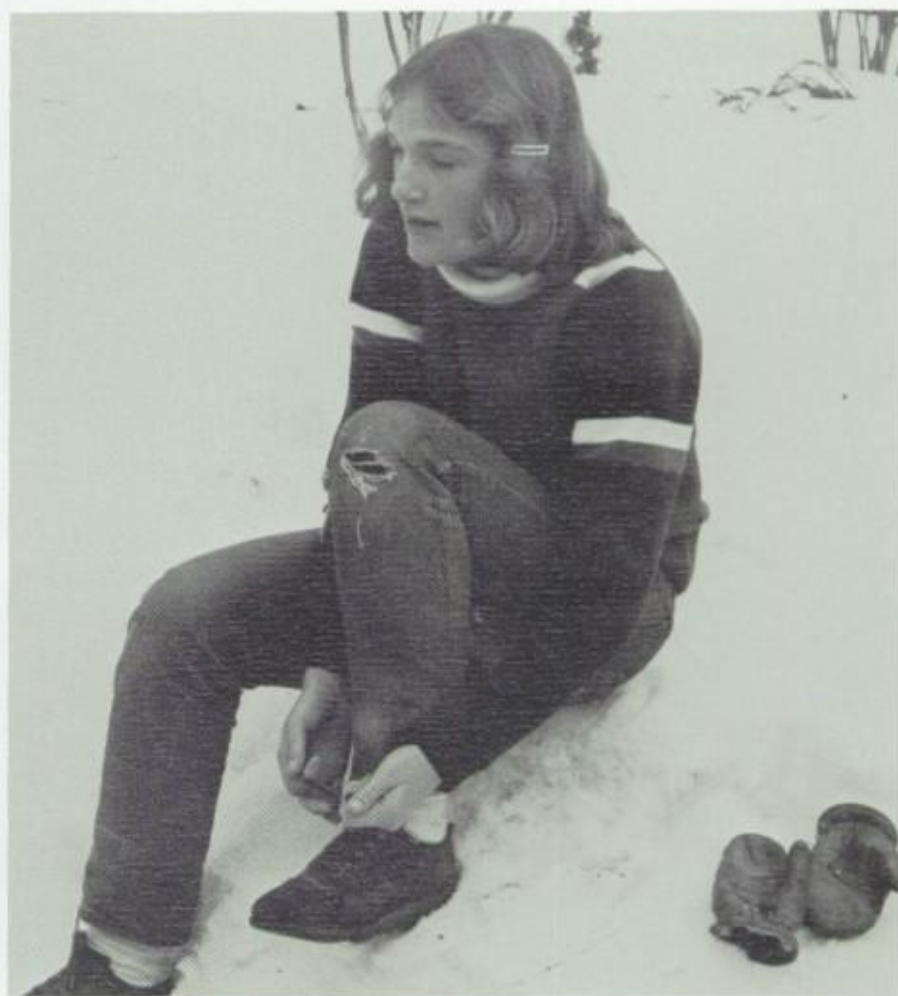

The girls' team began their season successfully, but when the District and State competitions rolled around, they did not, unfortunately, do as well as expected. Captain Sue Dodge excelled in the alpine events while Co-Captain Delsie Hoyt was always listed highly in the Nordic results.

The boys' team scored well all through the winter. They qualified for the State Meets and did quite well, finishing sixth. Captains Bill Snow and Keith Shortsleeve led in the Alpine events, while Captain Mark Desrochers did well in jumping. Tor Colt was the team's first man in Cross-Country for most of the year.

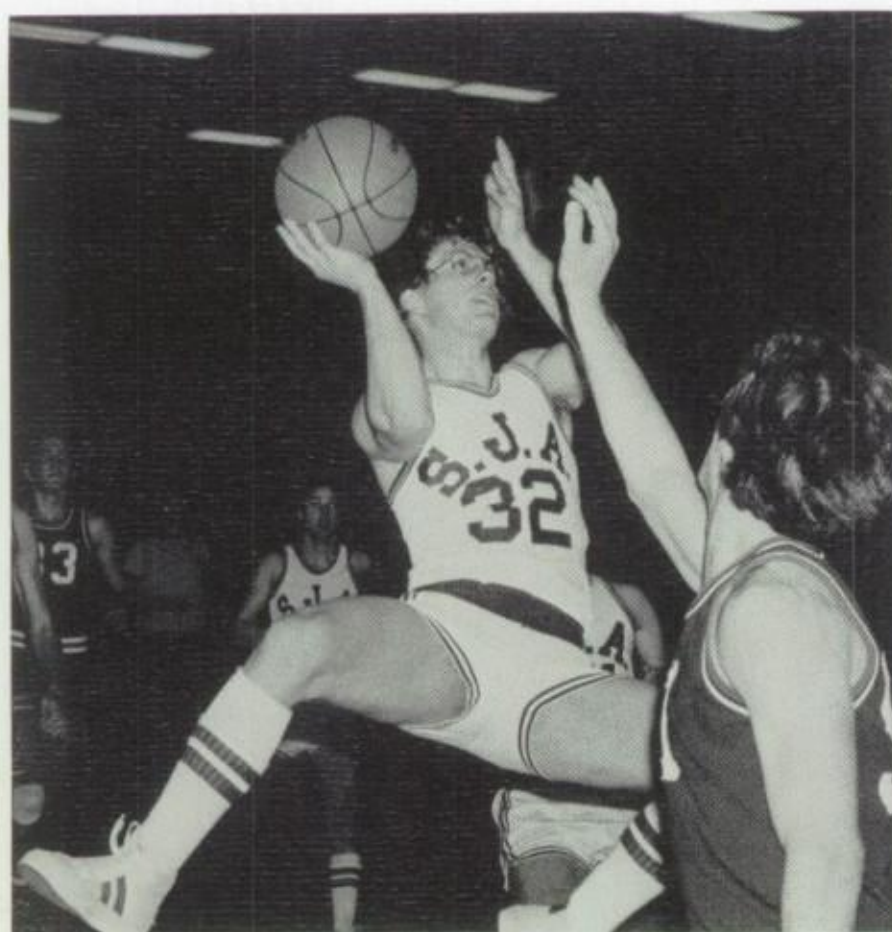

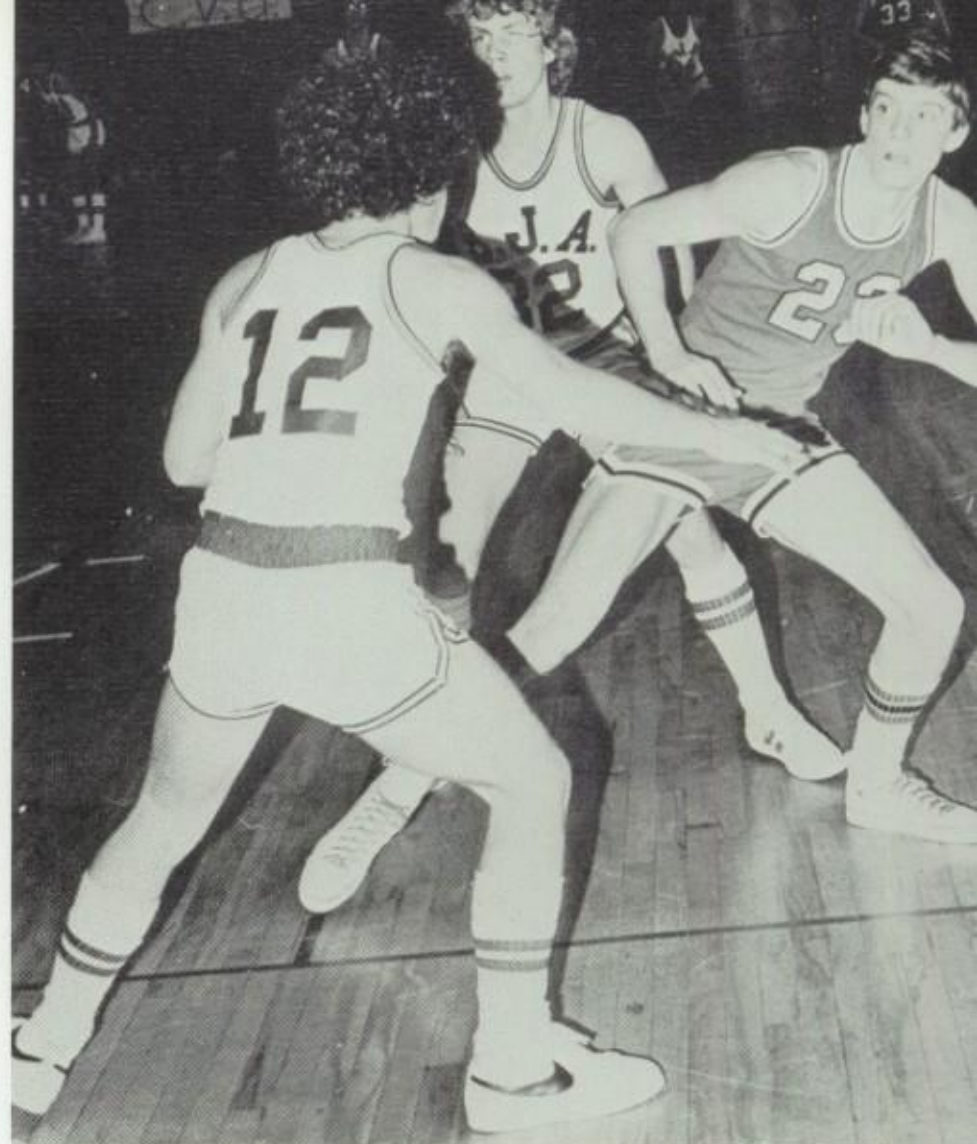

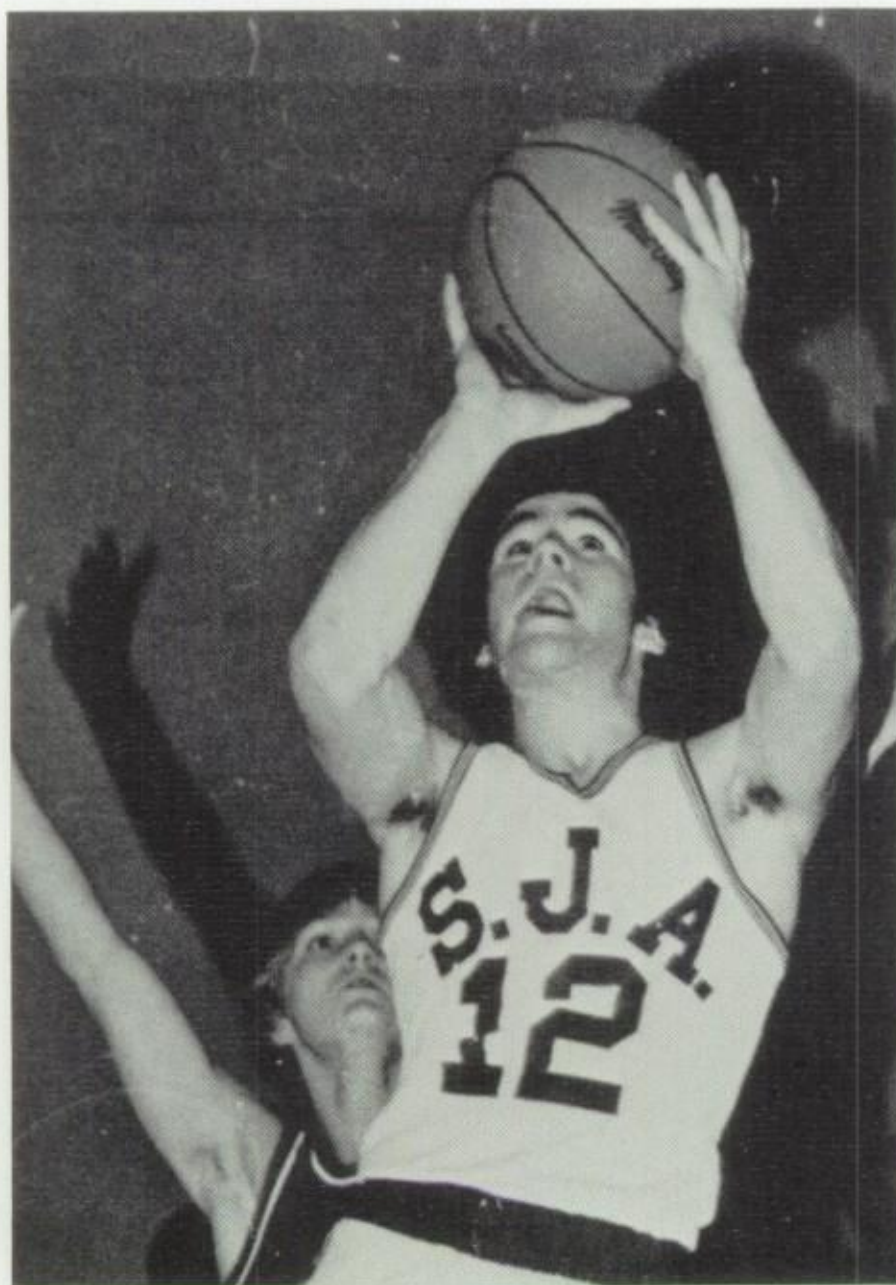

Of course, much of the credit for the year's success goes to the coaches, Mr. Nitsche, Mr. Eaton and Bob Desrochers. A great deal of our strength and perseverance came from the "whoopies" made in Mrs. Gretta Snow's kitchen.

Basketball

The 1977-78 basketball season will be a pleasant memory in the minds of many for years to come. After three consecutive losing seasons, the squad finally was rewarded for their patience and hard work with a regular season record of 13 wins and 7 losses. Co-captains Doug Thurston and Randy Pulling, along with six other seniors, who had been toughened by previous seasons, led the team through the campaign.

The highlight of the season had to be a 47-46 win over Burlington at home. The game marked the first win ever for Coach Layne Higgs over the Seahorses. The Academy went to the quarterfinals in the state play-offs, beating Essex in the first game but losing to Spaulding to end their season-indeed, a season to remember for both the players and the fans.

Pictured in the photograph are B. Cameron, C. Wood, P. Cowens, G. Carroll, M. Cutting, S. Ayer, V. Durnan, R. Pulling, D. Thurston, J. Clark and N. Allen.

Girls' Basketball

The 1977-78 basketball season marked the first time in Academy history that the team made it to the quarter-finals of the State Girl's Basketball Tournament. The thirteen member team was coached by Rosina Wallace and captained by Denise Chaloux and Arlene Abadi.

Perhaps the highlight of the season was the defeat of North Country by the Academy in an exciting come-from-seventeen-points-behind win. The girls repeated this victory later in the season during playoff action. The team did very well all through the playoffs, even in their heartbreaking loss to Mississquoi in the quarter-finals.

Every team was a challenge and a highlight in itself. Every one played hard, showing desire and determination through out the season. The varsity team ended their season with a record of 17 wins and 5 defeats.

The 1978 Wrestling Squad earned third in the state tournament this year with a record of 16-3. Seniors Dave McFarlin (132) and Peter Hahn (119) were state champions with records of 27-2-1 and 19-4 respectively. Co-captain McFarlin won four tournaments this season, while co-captain Mitch Lamotte (145) won two and took a third in the state tourney. Bill Chesbrough took second in the tournament in the unlimited class with a record of 23-3. A total of five seniors sparked the team to a victory in the prestigious Sanford, Maine Tournament.

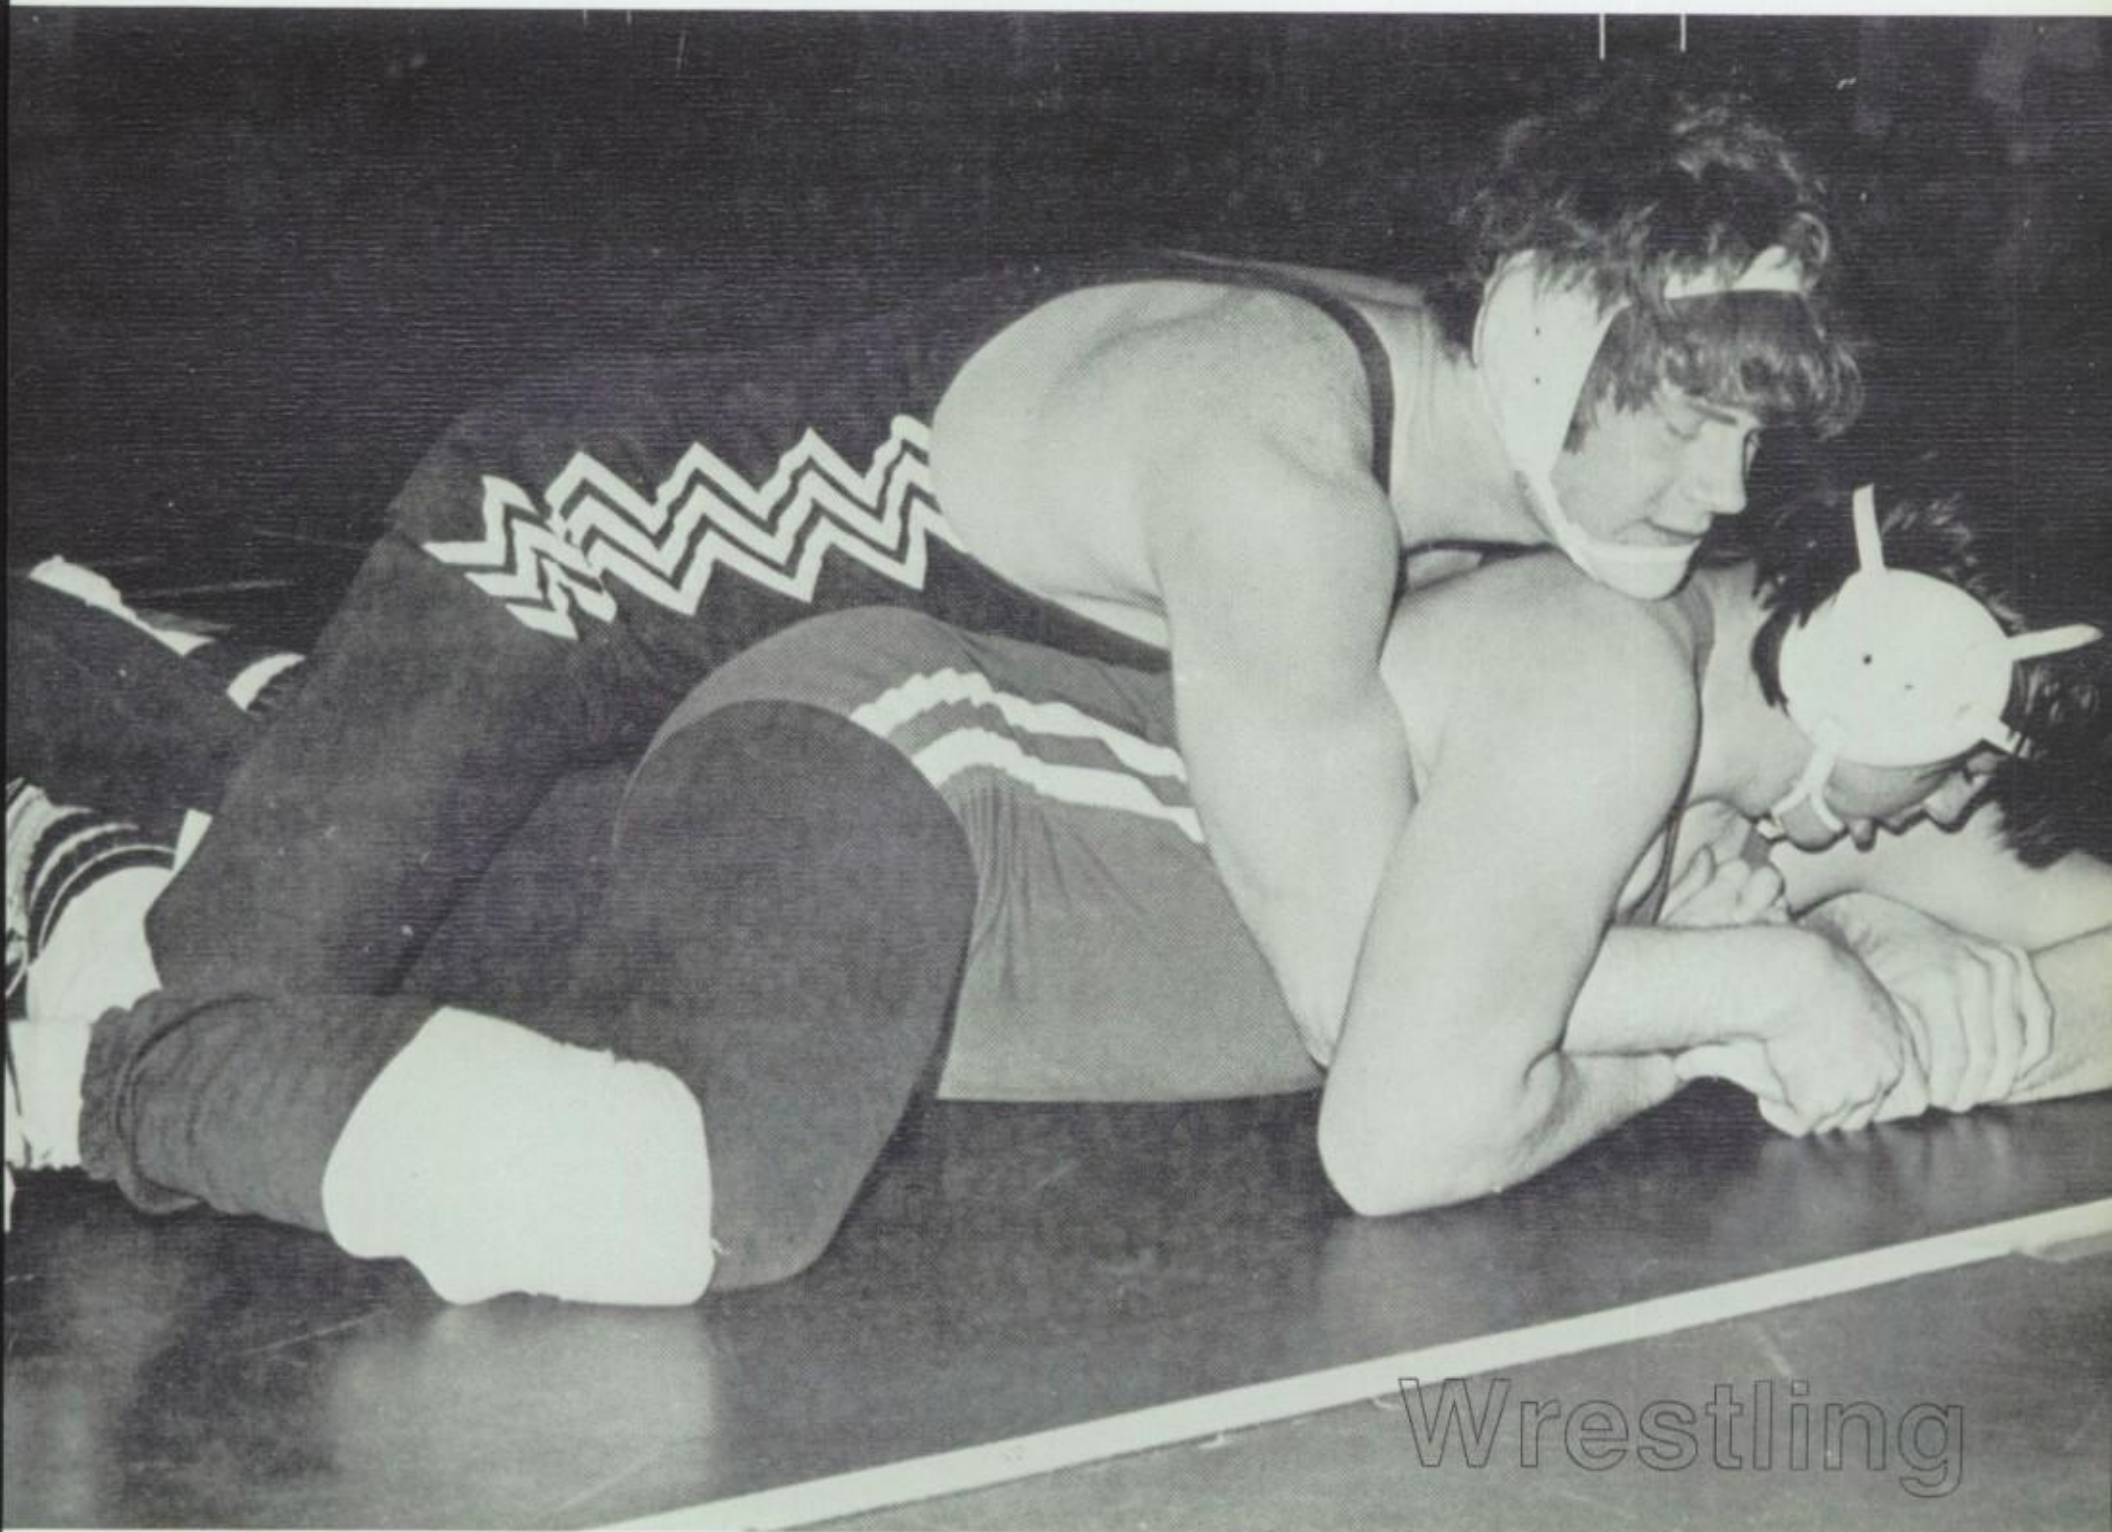

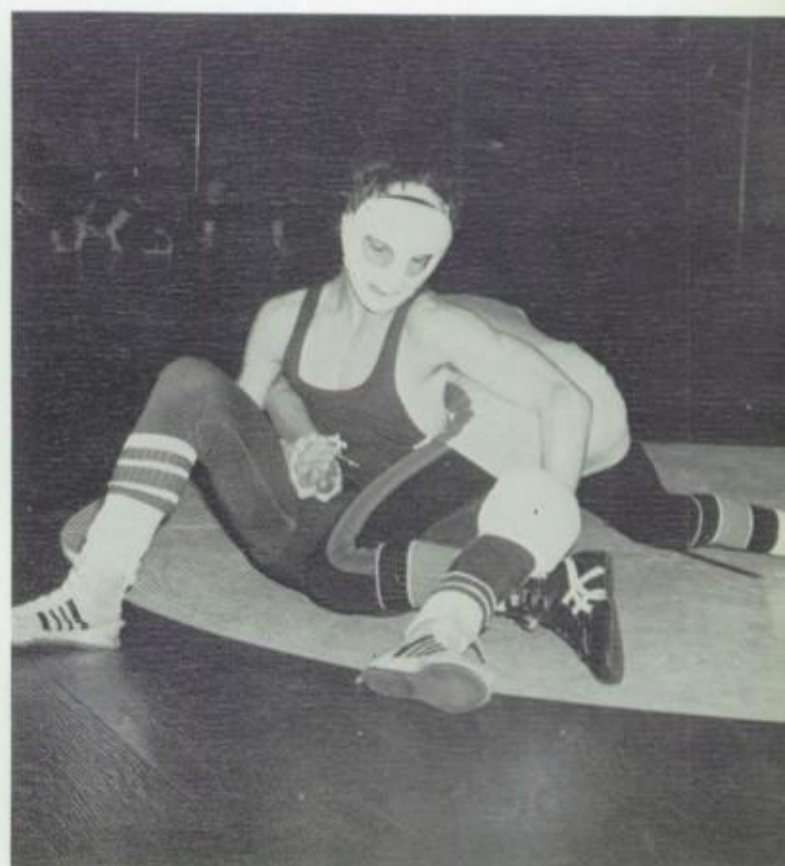

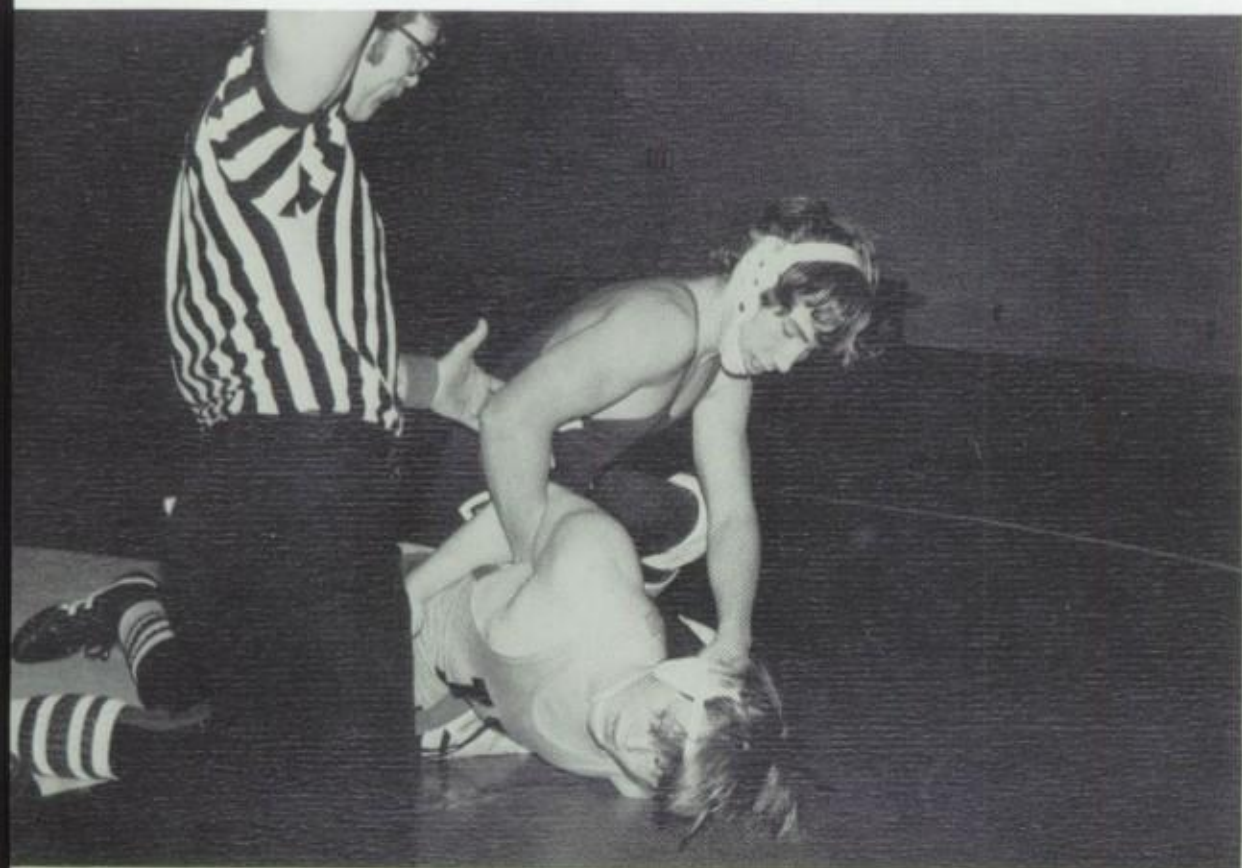

A fine nucleus of returning wrestlers will form the backbone of an impressive team next year. Junior, Mike Porcello, took third in the state at 126 lbs. with a record of 25-8-1; Junior, Jeff Lamothe, took fourth at 155 lbs; and Junior, Chris McElroy, took an astounding second in the state at 167 lbs with a record of 13-9. Sophomore, Dale Larocque, took second in the state at 105 lbs with a record of 23-7-1; Sophomore, Dan Pearson, took sixth at 112 lbs with a record of 9-9-3.

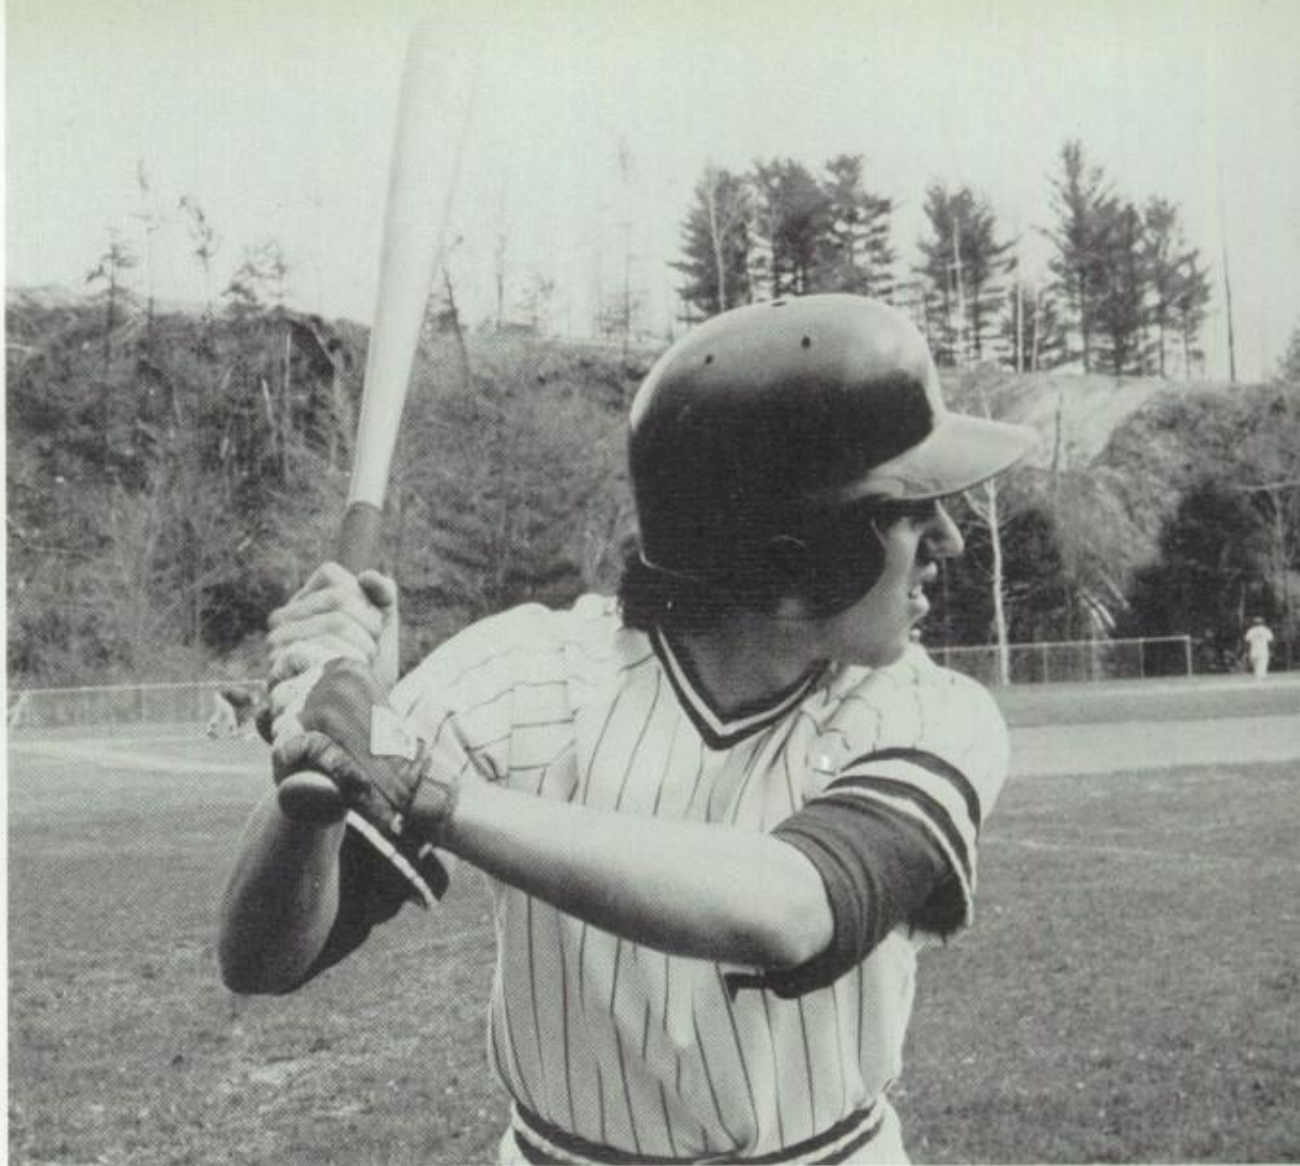

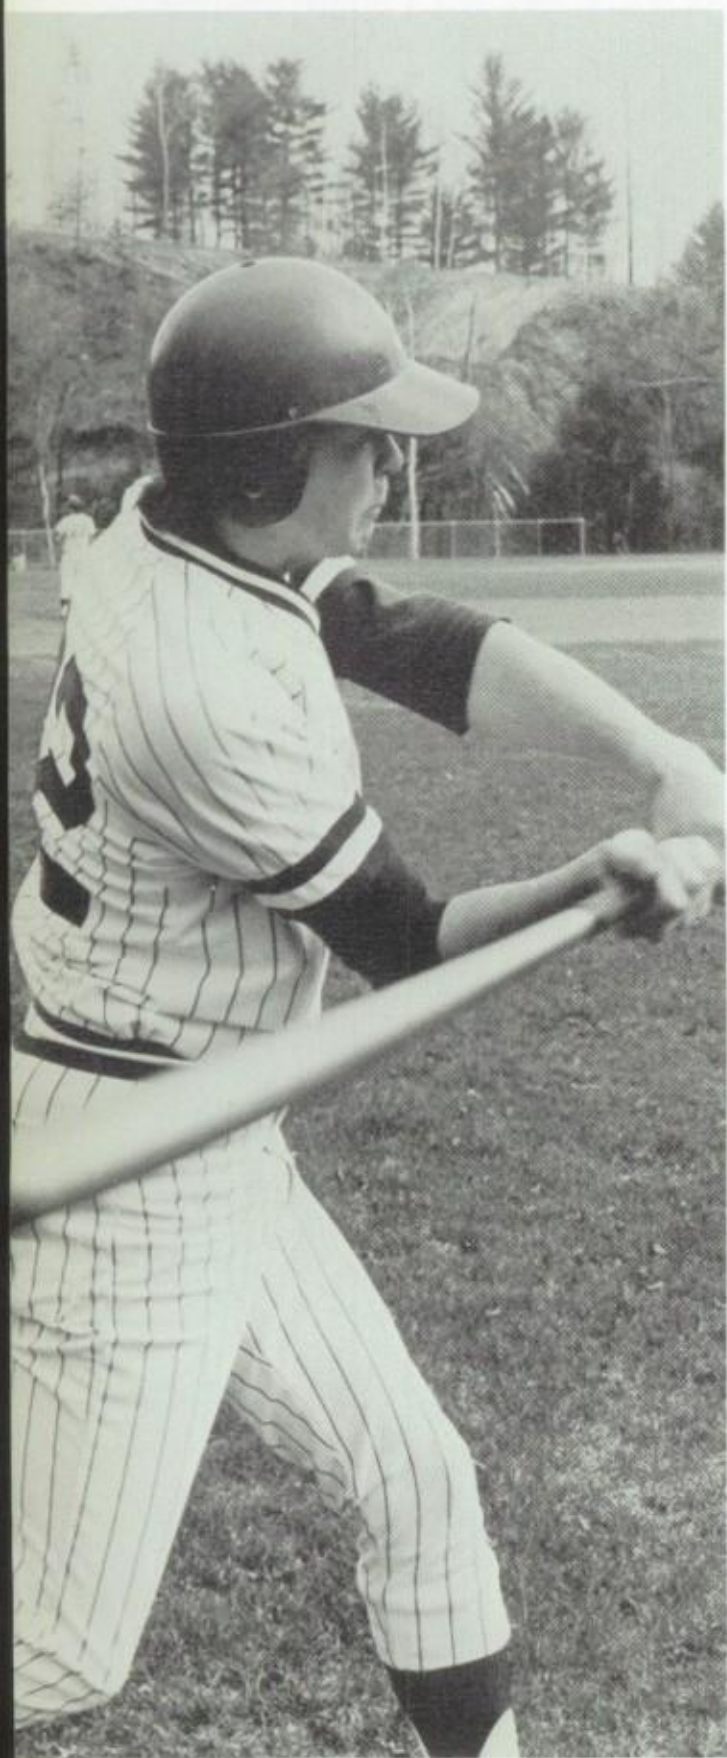

Post-season awards went to Dale Larocque ("Most Improved") and co-captains McFarlin and Lamotte ("Most Valuable Wrestlers").

Commencement Week . . .

It's a little bit funny,
This feeling inside.
We're going to be leaving now and
We realize —
We don't have much courage
But if we try
We're young and we're free
And we know we'll survive.

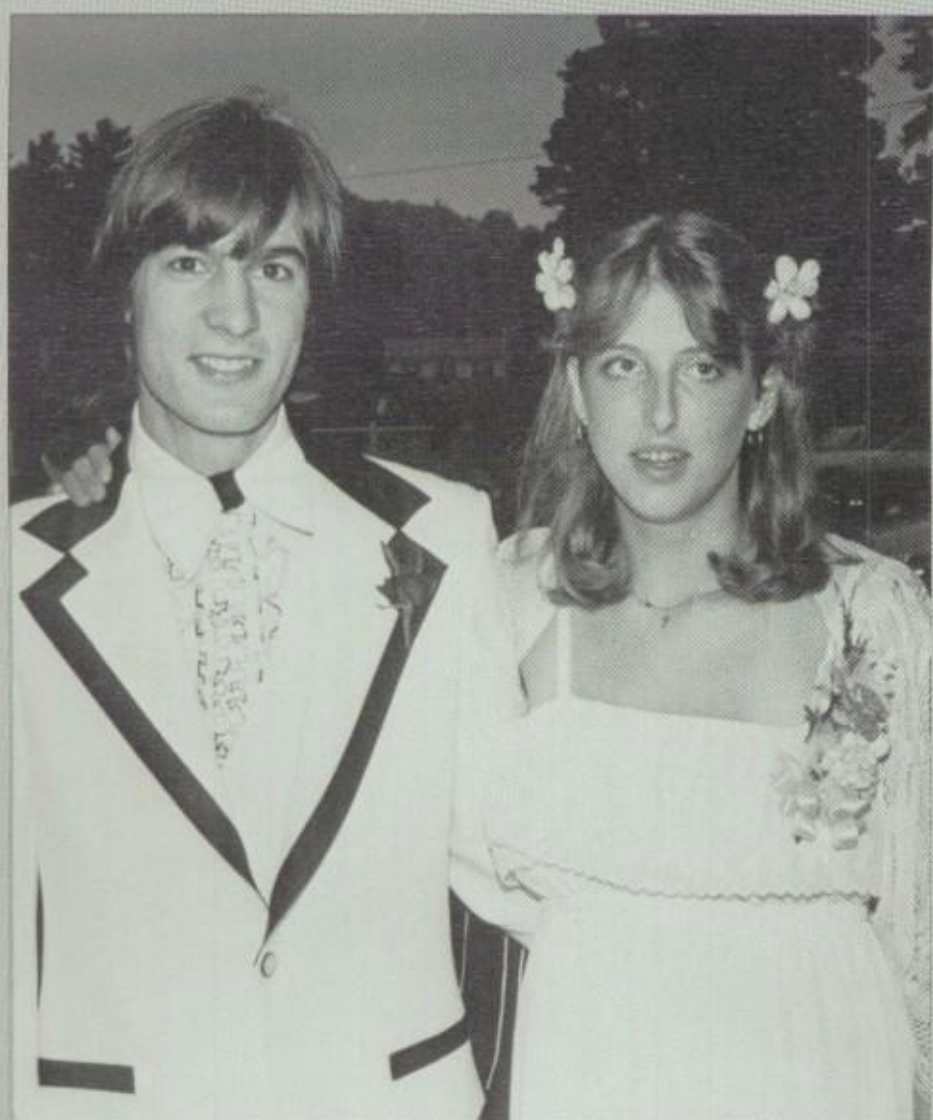

If we could be famous
But then again no . . .

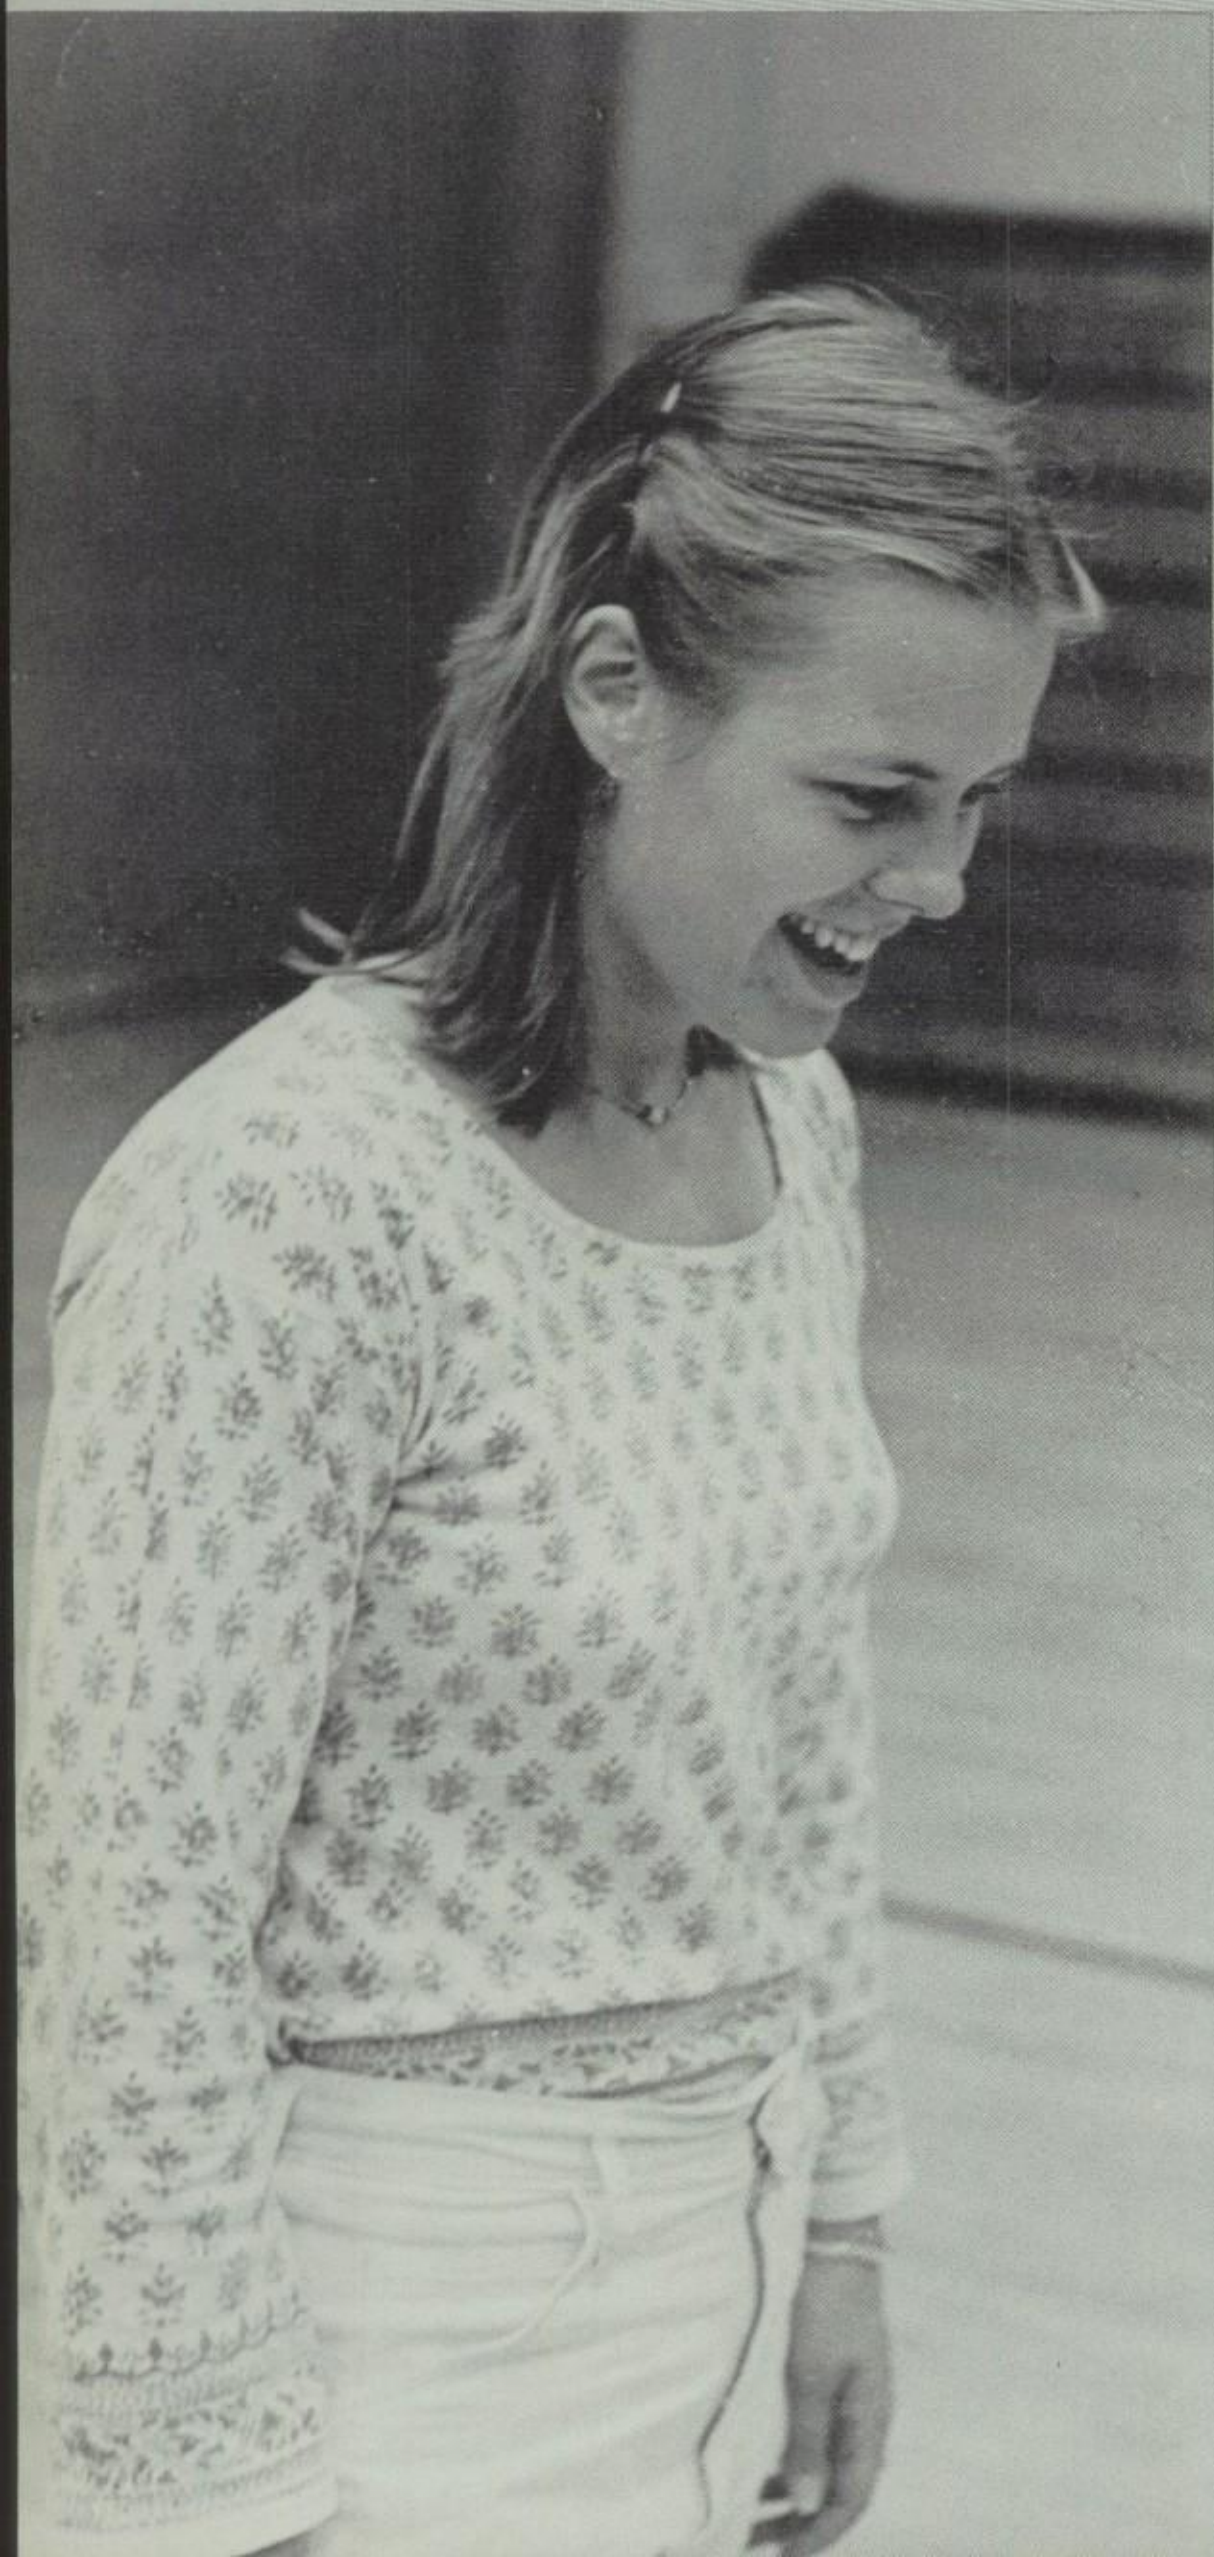

Just people who are happy
As we watch ourselves grow.

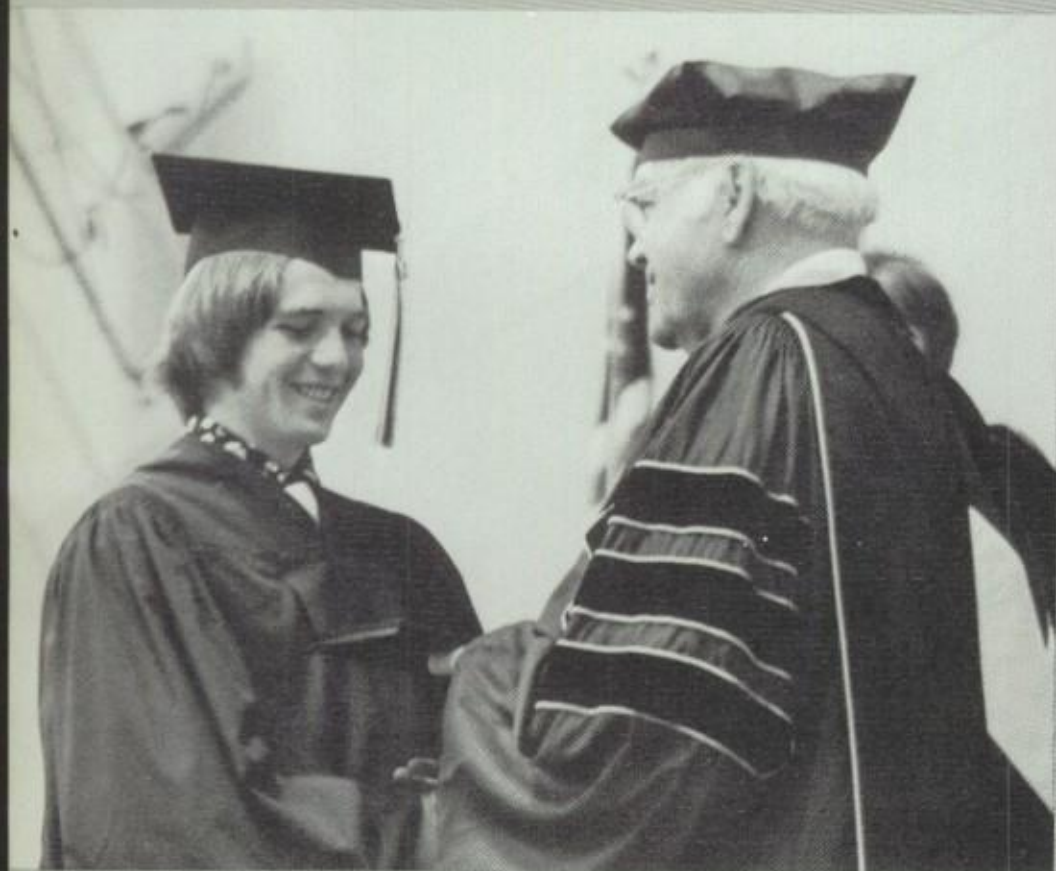

We sit here afraid of what life may bring.
Will we laugh? Will we cry? Will we ever sing?
We can't see the future, but there is one key —
To make of ourselves the most we can be.

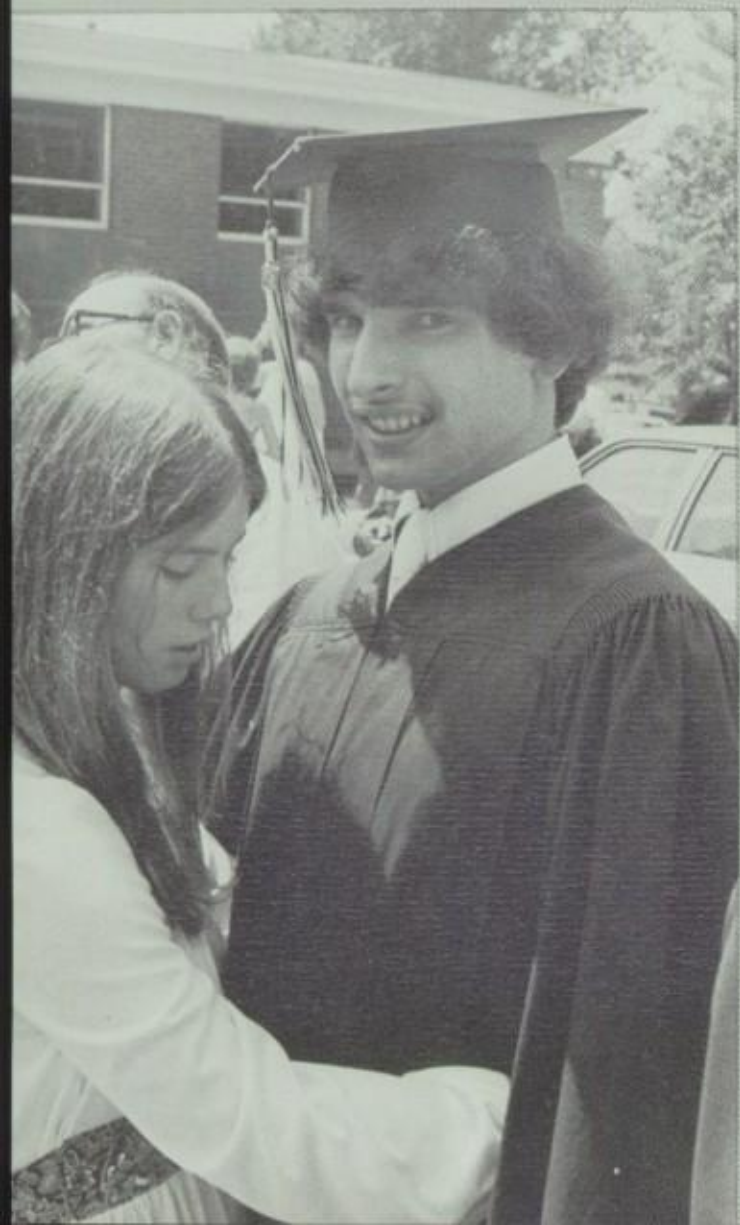

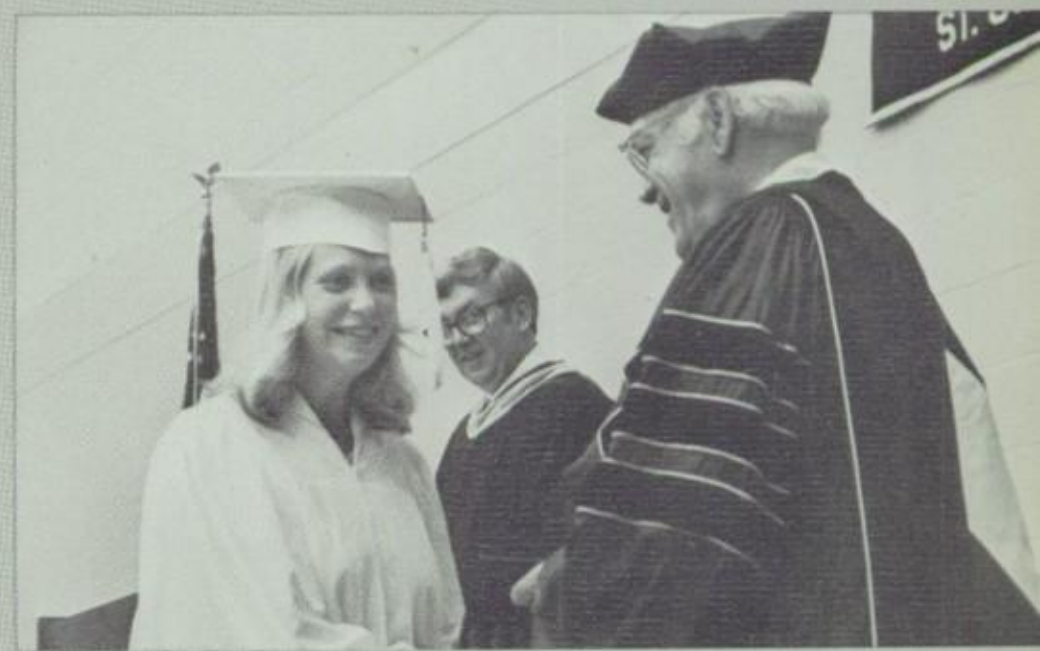

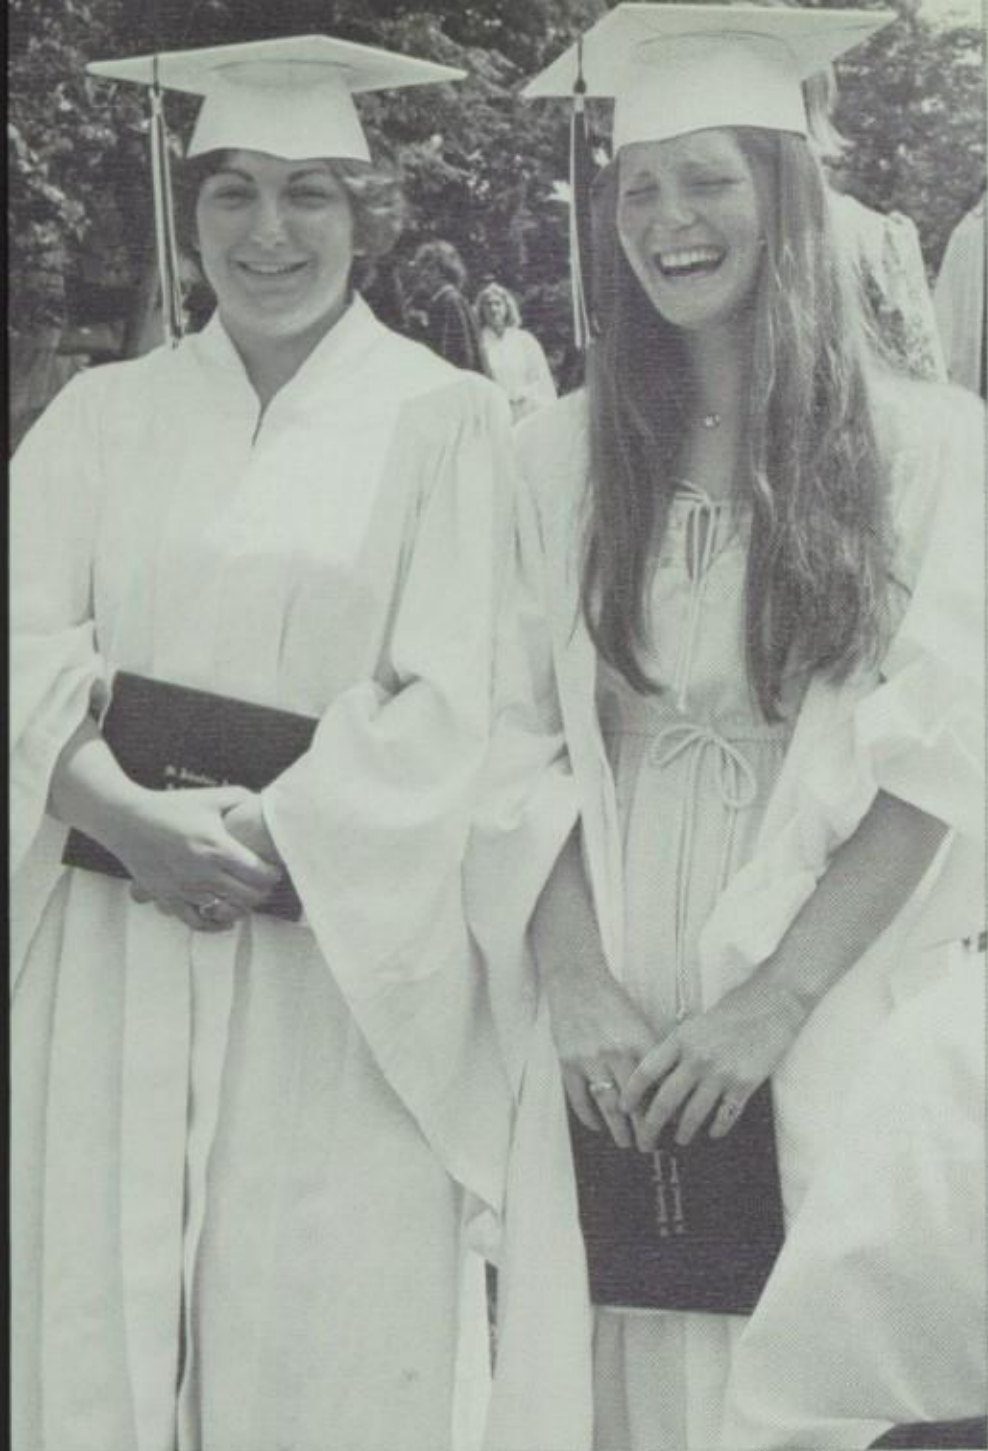

And we can tell everybody
 We're on our way.
 It may be quite painful but
 What can we say.
 We now are leaving . . .
 We now are leaving . . .
 And we finally know
 How wonderful life is
 Now we're on our own.

memories . . .

I will leave, loving this grey stoned fantasy
because it taught me to learn and trudge
and continue for as long as I hope.

MY CREED
by Dean Alfange

I do not choose to be a common man, it is my right to be uncommon — if I can. I seek opportunity — not security. I do not wish to be a kept citizen, humbled and dulled by having the State look after me. I want to take the calculated risk, to dream and to build, to fail and to succeed. I refuse to barter incentive for dole. I prefer the challenge of life to the guaranteed calm of Utopia. I will not trade freedom for beneficence nor my dignity for a hand-out. It is my heritage to think and act for myself, enjoy the benefit of my creation, and to face the world boldly and say, "This I have done."
